Beloit Coin Club To Give Away $3 Gold

The annual convention of the Beloit, Wisconsin Coin Club will be held on Sunday, October 11, 1959 from 10 A.M. to 11 P.M. on the Beloit College Campus in the beautiful newly-remodeled Student Union Building overlooking Rock River. All three floors of this spacious building will be available for the convention. The auction and dealer's bourse will be held on separate floors and on a different floor apart from the auction and the dealer's bourse, there will be a spacious lounge area, with adjoining snack bar, where collectors may congregate to visit or trade coins with plenty of comfortable chairs available.

A large room, 74 by 57 feet, has been set aside for the dealer's bourse, which is expected to accommodate about thirty dealers. There are two spacious lounges adjoining the dealer's bourse for the convenience of dealers and their customers. Bourse table fee is Ten dollars which includes one dinner ticket. One of the most popular features of last years convention will be repeated: a three dollar gold coin [U.S.] will be given away free to some lucky holder of a dinner ticket. In addition there will be other prizes. There is plenty of free parking available adjacent to the Student Union Building, which is one block north of the entrance to the Beloit College Campus at Prospect and Bushnell Streets. Dinner will be prepared and served by the chefs of the Beloit College Culinary Department. There will be many rare coins and currency on exhibit including a four dollar gold Stella and many scarce and rare [key] coins in the auction to be conducted by Ralph Winquist, Jr. 1004 C Street Rockford, Illinois. Coins included in the auction are 1877 and 1909 S vdb Cents, 1916 D dime, some nice U.S. gold and currency and many other desirable lots. Exhibits Chairman is Dale Selsor, Roscoe, Illinois, and co-chairman of exhibits is David Klontz, 2024 Greenfield, Rockford, Illinois. Ticket Chairman is David Luety, Creek Road, Beloit, Wis. and Bourse Chairman and General Chairman is Robert Branigan, 1158 Central Ave. Beloit, Wisconsin. Chairman of Publicity and Building Arrangements is Herbert Demanouske, 1870 Spruce St., Beloit, Wisconsin. There is still room in the auction for a few nice consignments if you will get in touch with Mr. Ralph Winquist, president of the newly formed Illinois Numismatic Society, 1004 C Street, Rockford, Illinois.

Bob Branigan has sent us his kind invitation which we have happily accepted. Needless to say we're looking forward to meeting the members of the Beloit Coin Club together with the many other collectors and dealers who are sure to attend.

Did You Know?

The Liberty Bell design by John R. Sinnock, used on the reverse of the current half dollar, first appeared in 1926 on the reverse of the half dollar commemorating the sesquicentennial of American independence.

Question Qolumn

Mike Dries of Sheboygan asks "What are the two varieties of the 1886 Indian Head cent". The year 1886 was a minor transition year in the design of the Indian cent. The first variety follows the pattern of the preceeding years in that the last feather of the head dress points between the I and the C in the legend. The change in design created the second variety where the last feather points between the C and A. If anyone knows the reason for this change or who was responsible for it, we'd like to hear from you.
